

ESTABLISHMENT OF ESSENTIALITY
OF
GOVERNMENT-PROCURED HOUSING IN 25X1A

I have reviewed carefully the existing and planned operations in 25X1A
[REDACTED] and the personnel requirements to fulfill the CIA mission in the area. Evidence has been presented to me which indicates that it is essential for the successful prosecution of operations that steps be taken to procure adequate living quarters for CIA personnel.

By virtue of the authority vested in me as Director of Central Intelligence under the Central Intelligence Agency Act of 1949 (Public Law 110), I hereby determine that procurement by this Agency of adequate housing for permanent personnel of the Agency in [REDACTED] is essential in the furtherance of the operational mission of this Agency. Such housing which is made available to Agency employees will be furnished to them at rentals equivalent to Governmental rates in the area. 25X1A
